Thank You to the parishioners of Our Lady of Lourdes for supporting the mission of Catholic Charities with your generous donations to the 2018 Christmas Collection. Your parish's donations totaling $4,918.00 help us bring hope to life by strengthening families, embracing people, and empowering them to thrive. Your generosity enables us to reach out in Christ's name to serve people throughout the lifecycle- from expectant mothers with young children to frail, low-income elders. Thank you for serving as partners in our mission of bringing hope to life for those most in need.

Thank You for responding to Christ's call to serve one another by supporting the work of Catholic Charities. If I can assist you or your parishioners, please call me at (509)367-5291 or email llabissoniere@catholiccharitiescw.org. May God continue to bless you.

Five Essential Pro-Life Principles for Healthcare Reform

Healthcare reform laws:
(1) must expressly prohibit funding for abortion and for insurance coverage for abortion, and must not undermine any existing federal or state restrictions on abortion funding or coverage.
(2) must not mandate insurance coverage for abortions, abortion-inducing drugs/devices, or other drugs/devices that can end life.
(3) must provide broad protection for the freedom of conscience for individuals, entities, and associations. No person, employer, healthcare provider, or insurer should be compelled to act contrary to his, her, or its conscience.

(4) must not contain provisions that mandate or encourage the withholding, withdrawal or curtailment of effective life-sustaining treatment to the chronically ill, the disabled, or other vulnerable persons.
(5) must not place restrictions on states' ability to enact and enforce legislation that protects and affirms life. For example, states must be permitted to choose which providers and plans to work with and to determine how money will be spent and who is eligible.

Lent:

Getting ready for Jesus' death and resurrection

Lent is the special time when we prepare for the celebration of Jesus' passion, death and resurrection. We get our souls ready by doing prayer, fasting, and almsgiving.

Prayer is talking with God. We need to talk with God even more than we need to talk to our family and friends. Lent is a good time to get into a habit of talking with God every day.

Fasting is eating less than you normally would. It's a good idea to give up a little something you like for Lent. Giving things up helps us remember we need God, not just food.

Almsgiving means giving to those who are in need. It helps us to be generous like God. Maybe you have a bit of money you can give to the poor or to the Church.
